Internet services cut off in Central Delhi areas, causing 'panic'

As protests escalate and amidst a renewed crackdown by Delhi Police, there are reports of internet services being suspended all over again in the areas of the protest.

PM Modi has cut off internet around Jantar Mantar, which is creating immense panic.

This is a direct assault on freedom of speech, to silence the voice of India's youth and hide the Delhi Police's brutalities.

Be warned, Mr. Modi - any untoward step to quash this youth protest [Show more](#)
